THREE BIG THINGS EVERY LEARNER NEEDS TO SUCCEED

FIDELIS EDUCATION
Too often we approach the problem of college and career readiness by asking what’s wrong with the students who drop out.
But we don’t just want them not to fail, we want student to be fundamentally successful humans.
Common sense, hard to scale
There are 3 things every student needs to succeed.
NO. 1
PURPOSE
No. 2

Paths
NO. 3

PEOPLE
To make the point personal, let me tell you Steven’s story
Steve’s, safety net
debt
At a core brain level, learning depends on relationships.
Learning Relationship Management Systems enable organizations to centrally ensure that every single person has what they need to succeed.
